PLEASE READ THIS ENTIRE DOCUMENT - How to Complete the AA Degree:

1. DLIFLC Language Requirements: Students must successfully complete their language program through the Defense Language Institute Foreign Language Center (DLIFLC) in Monterey. Other locations are not eligible for the AA Degree; only students who have studied at DLIFLC in Monterey, CA are eligible. The Basic program requires 45 semester credits from DLIFLC. Students must also meet the following requirements: DLPT R2/L2/S1+, a minimum cumulative GPA of 2.0 and no DLIFLC cumulative semester letter grades below a D. Students not meeting the 2/2/1+ while at DLIFLC, may be able to retest. However, a cumulative semester letter grade below a D is permanent exclusion from the AA Degree program. Failing a test or project within any course may not necessarily indicate a failing cumulative semester grade. Students attending the Intermediate program only (who have never attended a Basic program) are required to obtain a 2+/2+/2 DLPT and have additional General Education requirements (please contact the AA Degree Office). Advanced and DTRA programs are not eligible.

2. Apply for the AA Program: This program is voluntary and therefore students must apply for the program by submitting an application. Applications should be submitted BEFORE sending transcripts. Students no longer at DLIFLC in Monterey must include a copy of a current LES or military ID* with their application. Students no longer in residence in Monterey should ensure they meet the eligibility requirements by reviewing the eligibility section of the General Information form. Contact the AA Degree office for AA Degree program questions.
