

The following document was collected and digitized by the Command History Office of the Defense Language Institute Foreign Language Center with the assistance of community service learning students enrolled at California State University Monterey Bay.

The mission of the Command History Office is to document, record, and tell the story of the Institute and the United States Army on the Central Coast of California. More information about this mission, the historical resources we curate, and services offered to the public (subject to resource limitations) can be found at www.dliflc.edu.
